

Name: _____

Period: _____

STEM Career Poster

1. When I think of a scientist, he/she looks like....

2. What does STEM stand for?

3. "If I were to be a scientist, I would look like...?"

Write down three STEM careers that interest you:

a. _____

b. _____

c. _____

Part I – STEM Career Research

Pick one STEM career that interests you the most. Learn about the skills, education, salary, and description of that job.

STEM Career I choose:	
Why am I interested in this job?	
Job Description & Skills required:	
Education Background:	
Salary information:	

Part II – Scientist Poster

Writing: Use the draft to help you organize your writing. Your writing should include the reason of interest, job description, skills, education, and salary information of that career. Writing should be descriptive and thorough.

Drawing: Draw what you would look like in that STEM career. Show your work environment and what you do. Be sure to include lots of details. This is not an art competition, just try your best! 😊
